

MASS INTENTIONS

We have successfully begun our re-entry into public celebration of Mass as well as other Sacraments. We continue to have guiding principles by which we must make choices for the future. These include maintaining the necessary precautions of wearing face masks at every public observance (whether inside or outside the Basilica, or in a meeting room of some sort), maintaining social distancing from one another for the sake of one another's safety (avoiding crowding together in one place), and sanitizing our hands and our Basilica and meeting rooms after every use. These are essential steps for all of us. Current consequences of these principles mean for us :

- (1) Our elderly and those with medical conditions making them more vulnerable to the virus are encouraged to pray with us from home. Pray along with Mass on TV. We will continue to live stream the 9:00am Morning Mass for those on face book and will place it on our website for those who use a computer and the internet. We will continue to place the Monday novena on CTV and on the website.
- (2) Due to the sanitizing efforts which must be accomplished before each use of the Basilica, we will continue to have morning Mass at 9:00am. and will re-start the evening Mass at 7:00 PM effective immediately. We will continue to have the Saturday evening 4:00pm Mass and the 8:30am and 11:00am Sunday morning Mass. We will re-start the 7:00 pm evening Mass on Sunday effective immediately.
- (3) The 8:30am Mass Intention (Tuesday through Saturday) will continue to be celebrated at the 9:00am Mass. The 7:00pm Mass intention (Tuesday to Friday and Sunday) will continue to be celebrated by one of our priests here in the Monastery on the day it is scheduled. Thank you for your understanding and patience.

<u>Mass Intentions</u>			
Date	Time	Intention	Given By:
Mon, October 26	8:00 AM	Intentions of Those Making the Novena
